

Nature mobiles

What you need:

- Things you can collect during a walk to the park, for example: flowers, leaves, fern leaves, tiny twigs, etc.
- Card or small paper plates
- Scissors
- Glue
- Strings

Children can stick what they have found during the walk on card or on paper plates. Cut around them.

Adults to make a hole and tie the strings on. You could hang these up on a stick, on curtain rods, window handles, on wardrobes, door frames or anywhere really.

Talking points:

Colour of collected things

How are these natural objects different?

Which ones are the same?

Have you got a favourite? Why?
