

## History- Teddy and You

We have learnt about where Teddy Bears came from a long time ago! Teddy's and toys were made from different things and looked a bit different too.

Talk to your adult about how you know toys are old, what are they made of? What do they look like? How do they work?

This is my favourite toy, I love to build Lego!

### Send us on Dojo

Do a drawing of an old toy, you as a baby and your favourite toy. Or you can use photos.

Put these on a line from oldest to newest. Send us a photo of what you have done

**(Teaching point: to be able to order 3 things /pictures from oldest to newest)**

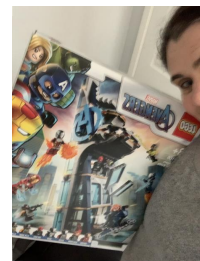

I have used photo's but you can do drawings, the teddy is the oldest> next is Mrs Belshaw as a baby. The newest thing is Mrs Belshaw's favourite toy.
