

Science - What is the weather like?

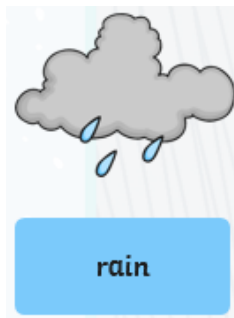

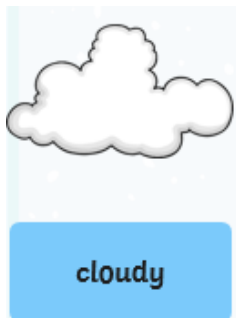

We have looked at seasons at school - do you remember

Autumn, winter, Spring and Summer. Talk to your adult about what you remember.

This week you are going to have a very important job!
You are going to be weather reporters!

<https://www.youtube.com/watch?v=sn6GLgaTYOM>

We would like you to look at the weather each day and describe it. Try using the words above to help you and add some of your own if you can

Today the weather was sunny but very cold.

Day of the week	Write in the word that describes it.
Tuesday	Cloudy

(Teaching point: to look at the daily weather and be able to describe it.)

Send us on Dojo:

You can use the chart to write on if you can print it or draw the same chart yourself. Fill these in and send us a photo on Dojo.
