

Online learning F2 Week beginning 01.02.21

Monday

Literacy

Task for Dojo:

You will go on a hunt around the home and find the words to make a sentence.  
Watch the video posted separately of me doing this.

When you have found the words, sound them out and put them in the correct order.

Here is your sentence: 'I hope my toys are safe' said Kipper.

Watch the lesson video to listen to the story.

There is also a video where you can see me do the task. 😊

How did you get on? Send us photos/videos as we love to see you!

## Numeracy

Today we are going to continue to look at patterns. Watch the video lesson and complete the task.

Task for Dojo:

Now it is your turn! Can you get your adult to make an ABC pattern for you to copy. This could be colours, shapes or objects. You need to make sure there are 3 objects that are repeated.

Please send a video/photo of your creations! :)

## Phonics

Monday: Our new sound is 'll'. Watch Mrs Szemenyei teach it in this video. If you need to see slides, they will be here every day: <https://scotholme2021.weebly.com/foundation-2.html> >> choose Week 5 (1<sup>st</sup> Febraury) and look for 'phonics.

## RE

### RE - Islam Creation Story

Read or listen to the creation story.

Islamic Creation Story on You Tube.

<https://www.youtube.com/watch?v=LYPgi6NzKdc&safe=active>

Talk to your adult about the story and what happens. Is this a story you know well? What do you like about the story and how the earth is created?

Do you remember our Jewish Creation Story and our Hindu Creation Story? Are the similar in anyway and what is different?

(Teaching point: children can talk about religious and symbols they have heard)

## Wellbeing

This week is mental health week, so we are going to think about what makes you happy. With your adult can you draw all the things that make you happy? What do you enjoy? What makes you smile? It could be a place, person, food, toy...anything you like!

*What does happiness mean to you? How do you feel inside when you are happy?*

Tuesday

Literacy

Task for Dojo today:

Today you will do the same as yesterday but your adult will read the words out in a different order. The words will be hidden further away, perhaps in a different room.

You will need to find these words, read them/sound them out and put them in the correct order.

Here is the video for the lesson:

Please send us a video/photos of you doing this! :)

## Numeracy

I can make ABBABB  
patterns using beads.

Today's lesson is focusing on patterns. Today we are going to learn all about what an ABB pattern is and have a go at making your own. Listen to the video and see what patterns you can come up with.

Today's class dojo task:

With your adult can you have a go at making a ABB pattern? How many different ABB patterns can you make?

Send us a picture and video of what you create please!

## Phonics

Tuesday: Our new sound is 'qu'. Watch Mrs Szemenyei teach it in this video.

If you need to see slides, they will be here every day:

<https://scotholme2021.weebly.com/foundation-2.html> >> choose Week 5 (1<sup>st</sup> February) and look for 'phonics'

## Science

### Science - Does it break easily?

This week we are going to remind ourselves about what things are

Made of and think about if they can break easily.

Look around your house can you find objects which are:

Wood

Plastic

Fabric

Glass

Describe them to an adult use words like: hard, soft, squashy and bendy.

~~Mmm~~ look what happened to my glass at home when I dropped it (don't try this at home!)

Which of the objects you collected would break easily talk about this with your adult.

Draw the object that would be broken easily. Lots of things break but which would be the easiest to break? Tell your adult why.

(Teaching point: to classify different materials and what they are made of, to know what breakable is.

#### Send us an Dojo:

Photos or a drawing of the object you think will easily break. Write down what it is made of, is it wood, plastic, metal or glass?

IT/Computers

Thinking about Roosevelt's hunting trip that we discovered on Monday, can you use Google or Youtube to discover more about this? What did you learn that you didn't know before? Draw a picture of something that you discover on the Ipad or computer/phone? How do you find it drawing on the computer? Is it harder or easier than using paper and pen? Why/why not? Send us your pictures!

Wednesday

Literacy

Today's task for Dojo:

You have worked hard on finding the words so far this week. Today you need an adult to help you again. This time you will only need to LISTEN to the word and see if you can find it. What sounds can you hear? What does that sound look like? Find the words and put them in the correct order!

Listen to the lesson video to help you. As always, send us in a video or photo of your work.

## Numeracy

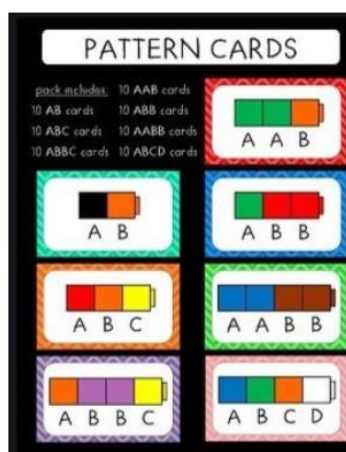

Continuing our work on patterns, you will have a chance to choose what pattern style you want to make today. Watch the lesson video for some ideas!

Today's class dojo task:

Today you can choose what patterns you make! Which type will you choose? Will it be AB? ABB? ABC? ABBC? something else?

Dojo points for the most creative! Send us your photos!

## Phonics

Wednesday: Our new sound is 'ng'. Watch Mrs Szemenyei teach it in this video.

If you need to see slides, they will be here every day:

<https://scotholme2021.weebly.com/foundation-2.html> >> choose Week 5 (01.02.21) and look for 'phonics'

P.S.H.E

Listen to this story. It is called 'My Big Shouty Day' by Rebecca Patterson

<https://www.youtube.com/watch?v=KFTpZks6Wts>

How do you think Bella was feeling? Why is she feeling this way? She is definitely in the Red Zone. How do you think she could move into the Blue zone? What helps you feel better when you are feeling angry? What do you do to calm down?

When I feel angry I go for a walk or a hot bath. I spend some time by myself and calm down. I also like reading to help me feel better. What do you do? We all feel angry sometimes and that is OK, we just need to learn to manage these emotions and move back to the blue zone.

## Spanish

Today you can practice your numbers 1 to 10 in Spanish! Here is Rosita from Sesame Street teaching us how to count to 10. Can you sing along?

<https://www.youtube.com/watch?v=QF85Kq3yTQA>

Here are the numbers:

uno (ooh-no)

dos (dohs),

tres (trays)

quatro (kwah-troh)

cinco (seen-koh)

seis (says)

siete (syay-tay)

ocho (oh-choh)

nueve (nway-vay)

diez (dyays)

Here is our friend Jack Hartmann teaching us 1 to 10. Listen to this funky song!

<https://www.youtube.com/watch?v=14nNpnZGTRk>

## Wellbeing

You are all working really hard at the minute and probably missing friends and family. With your family/friends in your house:

### **Think of a time when.....**

Talk to an adult about what these words mean. Can you think of and talk about a time when you have been:

BRAVE

STRONG

CONFIDENT

Thursday

Literacy

Today's task for Dojo:

You have worked hard on finding the words so far this week. Today you need an adult to help you again. Today we are just going to find jumbled words. Your adult will have a word and point to each letter in that word. You will need to find each letter and make the word.

The two words we are going to focus on today are:

**lost**

**sock**

## Numeracy

Today we are going to explore clocks and some of the key features on them. What does a clock need? What does it tell us? You will need some equipment for this lesson:

- A plate
- Numbers 1 to 5
- A spoon
- The words o clock

The skills that we will cover in this lesson are

- One more/one less
- Clocks
- Beginning to read o clock

## Phonics

Thursday: We practise reading lots of words and sentences today. Watch and read with Mrs Szemenyei in this video.

If you need to see slides, they will be here every day:

<https://scotholme2021.weebly.com/foundation-2.html> >> choose Week 5 (1<sup>st</sup> February) and look for 'phonics'.

## History

### History- Teddy Roosevelt

Can you remember who Teddy Roosevelt is?  
What was invented because of him and why?  
Talk to your adult about Teddy Roosevelt and his hunting trip. What can you remember?

Here is a link to the story again if you need some help.

[www.youtube.com/watch?v=QhA6](http://www.youtube.com/watch?v=QhA6)

[The Story of the Teddy Bear | Culture and History | People | Little Fox | Animated Stories for Kids - YouTube](#)

Now choose your favourite part of the story and create a picture to show this. Write some words or a sentence to tell us about your picture.

This is my favourite part because I'm glad Teddy didn't shoot the bear.

(Teaching point: children can remember some important stories about people from the past)

This is my picture and sentence.

 ClassDojo

**Send us on Dojo:**

A painting or picture of your favourite part. You can use paint, crayons or make a collage.

Don't forget your word or sentence.

"Teddy Roosevelt and the bear."

## Music

Here are some fantastic and popular Nursery Rhymes that we should all know. These are sang by the bounce party as a few of you said that you really enjoyed this group. The two songs that they are singing are Mary, Mary Little Lamb and Baa Baa Black Sheep. I hope you enjoy singing and dancing along.

<https://www.youtube.com/watch?v=ZD-q0skYGuc>

<https://www.youtube.com/watch?v=AqwLb00BOqc>

## Art

Art planning week 5

# Invent your own toy!

Hey guys! We're missing you. I hope you are looking forward to this week's book Kippers Toy box. I love it! This Week, for art, we are going to invent our own toy! I have given you some Ideas. You can use anything you want, use that amazing imagination! Think about using anything that goes into your recycling bin such as bottles, lids and paper/cardboard. You can come up with your own list of materials and go crazy!

Friday

Literacy

Task for Dojo:

Today you will find all the letters that make up the words like yesterday. Today, your adult will only sound out the word and you will need to listen carefully and find the letter that makes that sound.

To make it harder, collect all the letters before putting them in order for BOTH words.

Let us know how you get on! :)

**lost**

**sock**

## Numeracy

Today we are going to look at sequencing our daily events. I have made a video to help you. There is also this fun explanation from Oak National academy:

<https://classroom.thenational.academy/lessons/using-everyday-language-to-talk-about-and-sequence-daily-events-60tkad?activity=video&step=1>

Can you think about what you did today? Can you draw and order four things that you did today? Send us a photograph of your day in order.

## Phonics

Friday: We practise writing letters, words and sentences today. Watch and write with Mrs Szemenyei in this video.

If you need to see slides, they will be here every day:

<https://scotholme2021.weebly.com/foundation-2.html> >> choose Week 5 (1<sup>st</sup> February) and look for 'phonics'

## P.E.

### Yoga for children

Keeping your kids active and engaged is more important than ever, with disruptions to routines and lots of time at home. Turns out it's the perfect time to teach children about yoga!

#### Try this link to Frozen Yoga

<https://www.youtube.com/watch?v=xlg052EKMtk>

#### Benefits of Yoga

- *Helps arrest a child's wandering mind. Builds attention span and concentration power.*
- *Augments imagination and creativity.*
- *Relieves mental and physical fatigue. Boosts energy levels and provides deep relaxation too.*
- *Helps overcome negative emotions like jealousy, fear and anger.*
- *Fosters a positive self-image and increases confidence.*
- *Increases breathing and lung capacity.*
- *Exercises, strengthens and lengthens different muscles in the body.*

#### **(Shoulder Stand pose)**

- Nourishes the brain by increasing blood flow to it.
- Strengthens the arms and legs.
- Keeps the spine flexible, ensuring participation in a wide range of physical activities.

### (Warrior Pose)

- Tones the arms and leg muscles.
- Helps improve balance in the body.
- Increases stamina.

### (Tree Pose)

- Tones the arms and legs, Children are able to enjoy physical activities.
- Helps strengthen the back, thereby increasing height.
- Increases concentration power and focus, certainly a great help with homework.
- Enhances mind-body balance.

### (Bow Pose)

- Strengthens the arm and leg muscles.
- Makes the back strong and flexible.
- Helps relieve stress and fatigue.

## Storytime

### Five Little Fiends

Today's story is called 'Five Little Fiends' by Sarah Dyer. It talks about the importance of sharing. What happens when the fiends take the nice things for themselves? What did they learn?

Why do you think it is good for us to share? Please send in a video of you talking about the story. I hope you enjoy it!
