

Friday the 8<sup>th</sup> of January 2021

## Literacy

Today's literacy is the same as yesterday. Remember that it would be fantastic if your adult could read the sentences out to you and you use your sound knowledge to try and write them independently. I am looking forward to seeing your work.

*The Stickman ran fast.*

*The Stickman met a dog.*

*The Stickman saw Santa.*

*The Stickman went home.*

## Maths

I hope that you are now feeling confident about what the terms shortest and longest mean.

We are going to take a short break from measurement today and focus on our numbers to 10. Here is a great game to help us order numbers to 10. Do you know what number comes next? How can you check you are right? Let me know when you have completed the game.

Here is the link:

<https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering>

Don't forget that in your reading diaries you have a link to Sumdog. This has many games and activities on where you can practice your maths skills. I have set you some tasks on there to complete also.

I will be keeping an eye on who the top scores belong too 😊

## Phonics

Here is your phonics lesson for today. Watch the video and see if you can remember and say the sounds.

Phonics Sp 1 w1 Fri (writing) HOME.notebook

January 07, 2021

Children to have their sound mat in front of them. Parent to call out a sound, children to find them. Then take turns.

## P.E.

Today we are going to exercise our bodies. A healthy body helps us learn and keeps us happy. Here is a link to a 5 minute work out with Joe Wicks. Whilst you

are exercising, be mindful of how your body feels and what changes you notice. Do you feel warmer? What do you notice about your heart rate? What do your muscles feel like?
