Make some notes and upload them on your Class Dojo portfolio

As – by Stevie Wonder 1976

(use the link below to listen to the song)

As around the Sun the Earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure
You can rest your mind assure
That I'll be loving you always
As now can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all is born is new
Do know what I say is true
That I'll be loving you always
Until the rainbow burns the stars out in the sky
(always)
Until the ocean covers every mountain high (always)
Until the dolphin flies and parrots live at sea
(always)
Until we dream of life and life becomes a dream.

Ben E. King - *Stand by me* - 1960

(use the link below to listen to the song)

This song says, no matter who you are,
No matter where you go in your life
At some point you're going to need
Somebody to stand by you.

Oh yeah! Oh my darlin' stand by me!
No matter who your are, no matter where you go in life
You gon' need somebody, to stand by you.
No matter how much money you got, or the friends you got,
You gon' need somebody, to stand by you

When the night has come, and the way is dark,
And that moon is the only light you see.
No I won't be afraid, no I-I-I won't be afraid
Just as long as the people come and stand by me.

Darlin' darlin' stand by me, ooh stand by me Oh stand
Stand stand by me C'mon stand by me stand by me

If the sky that we look upon
Well should tumble and fall
And the mountains should crumble to the sea
