

Letters & Sounds with Pop

This is Pop

Pop is a little white mouse.

She can be a little bit naughty and sometimes she does silly things but she is here to help us with our Phonics.

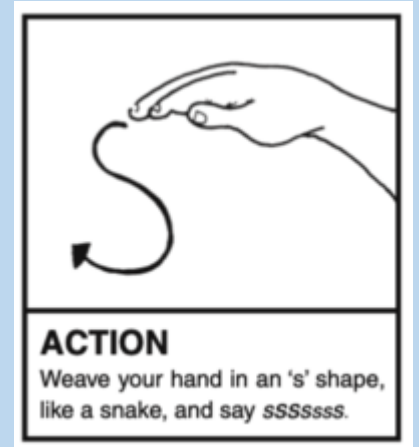

First Pop would like us to think about the letters and sounds we have learned.

She wants to make sure we can remember the name of each of the letters and the sound that letter makes.

Let's make a start:

Next Pop wants us to push some sound buttons to read some new words.

We use sound buttons to help us to sound out new words then blend the sounds to read the word.

Let's make a start:
