

Year 5 P.E 7.1.21

Hello year 5 and welcome to your first P.E lesson of the term!

If you remember for one of our we created some posters where we created a team name and gave everyone roles in the team.

Today we are going to do something similar for our new topic in P.E, which is gymnastics.

Now I want you to imagine that you are about to compete in the Olympics. I want you to create a poster for the event. You will need to decided what country you are going to represent.

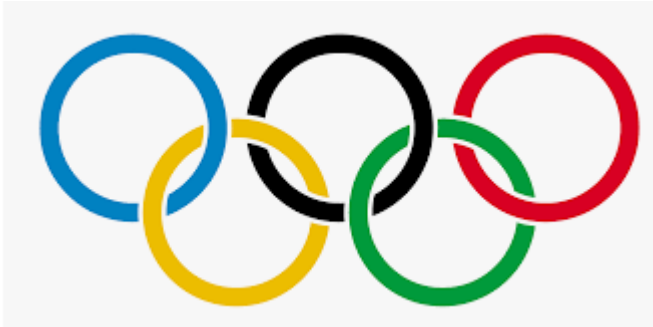

Your poster needs to include:

- A picture of yourself wearing an outfit (the colours should link to the flag of the country you are representing). They normally

where

- A nickname for yourself
- A list of qualities that every gymnast needs
- A picture of the Olympics logo

- A song that the crowd would sing whilst you're performing
- And anything else you can think of

Remember that it is a poster so the title needs to be big and there needs to be plenty of colour.

I look forward to seeing the results.
