

RECALL:

How many changes did you manage to make yesterday?

Which change do you think was the most important? Explain why.

Dreadfully Amazing Experiments

Presentation Write

LO: Use the necessary handwriting skills for presentation writing.

- Write on the line
- Miss a line after each paragraph
- Correct letter size
- Join certain letters

Tasks

1. What would a reader like about your writing?
2. Can you show me where you have taken ideas from the original author?
3. Have you achieved the purpose for this piece of writing. Explain why and give one example of how you managed to achieve this.
4. What would you change if you wrote this again? Why would you do this?
