## Phase 1 Day 5

## SPEED AND STAMINA:

You have 60 seconds to read as much of the story as you can, using your finger to follow the text.

We will record how many words you score and you can try to beat it in the coming days.

## SPEED AND STAMINA:

We all went on safari,  
When the day had just begun.  
We spied a lonely leopard.  
Arusha counted one.

We all went on safari,  
Over the grasslands damp with  
dew.  
We came across some ostriches,  
And Mosi counted two.

We all went on safari,  
Past an old acacia tree.  
Nearby giraffes were grazing,  
So Tumpe counted three.

We all went on safari,  
To the ancient crater floor.  
We heard some lordly lions.  
Mwambe counted four.

We all went on safari,  
Where the lake birds swim and dive.  
Up bobbed some hefty hippos.  
Akeyla counted five.

We all went on safari,  
Among herds that intermix.  
We followed woolly wildebeests.  
Watande counted six.

We all went on safari,  
With the sun high in the heaven.  
We spotted zigzag zebras.  
Zalira counted seven.

We all went on safari,  
Near the Serengeti gate.  
We startled wiry warthogs.  
Suhuba counted eight.

We all went on safari,  
Where the treetops intertwine.  
We met mischievous monkeys.  
So Doto counted nine.

We all went on safari,  
Through a rocky hillside glen.  
We watched enormous  
elephants,  
And Bodru counted ten.

We all went on safari,  
In the sunset's fading light.  
We built ourselves a campfire  
And bid our friends "Good  
night".
