FLUENCY: Collaborate to identify the rhyming words in the text

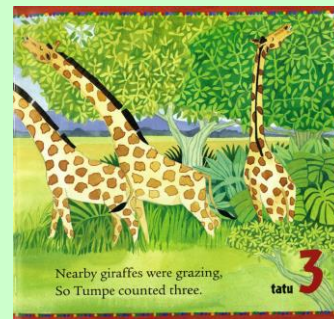

We all went on safari,
When the day had just begun.
We spied a lonely leopard.
Arusha counted one.

We all went on safari,
Over the grasslands damp with dew.
We came across some ostriches,
And Mosi counted two.

We all went on safari,
Past an old acacia tree.
Nearby giraffes were grazing,
So Tumpe counted three.

We all went on safari,
To the ancient crater floor.

Where the lake birds swim and dive.
Up bobbed some hefty hippos.
Akeyla counted **five**.

We all went on safari,
Among herds that intermix.
We followed woolly wildebeests.
Watande counted **six**.

We all went on safari,
With the sun high in the heaven.
We spotted zigzag zebras.

We all went on safari,
Near the Serengeti **gate**.
We startled wiry warthogs.
Suhuba counted eight.

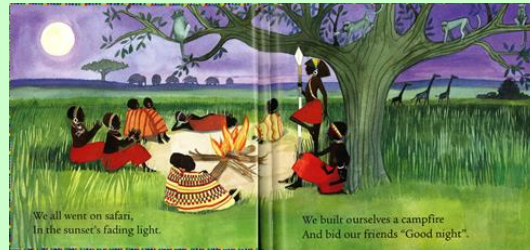

We all went on safari,
Where the treetops **intertwine**.
We met mischievous monkeys.
So Doto counted nine.

We all went on safari,
Through a rocky hillside **glen**.

And Bodru counted ten.

We all went on safari,
In the sunset's fading **light**.
We built ourselves a campfire
And bid our friends "Good night".
