

Wow! We have changed!

Explore Term Science

Week 7

What are we learning today?

Understand

Identify, name, draw and label the basic parts of the human body and say which of the body is associated with each sense

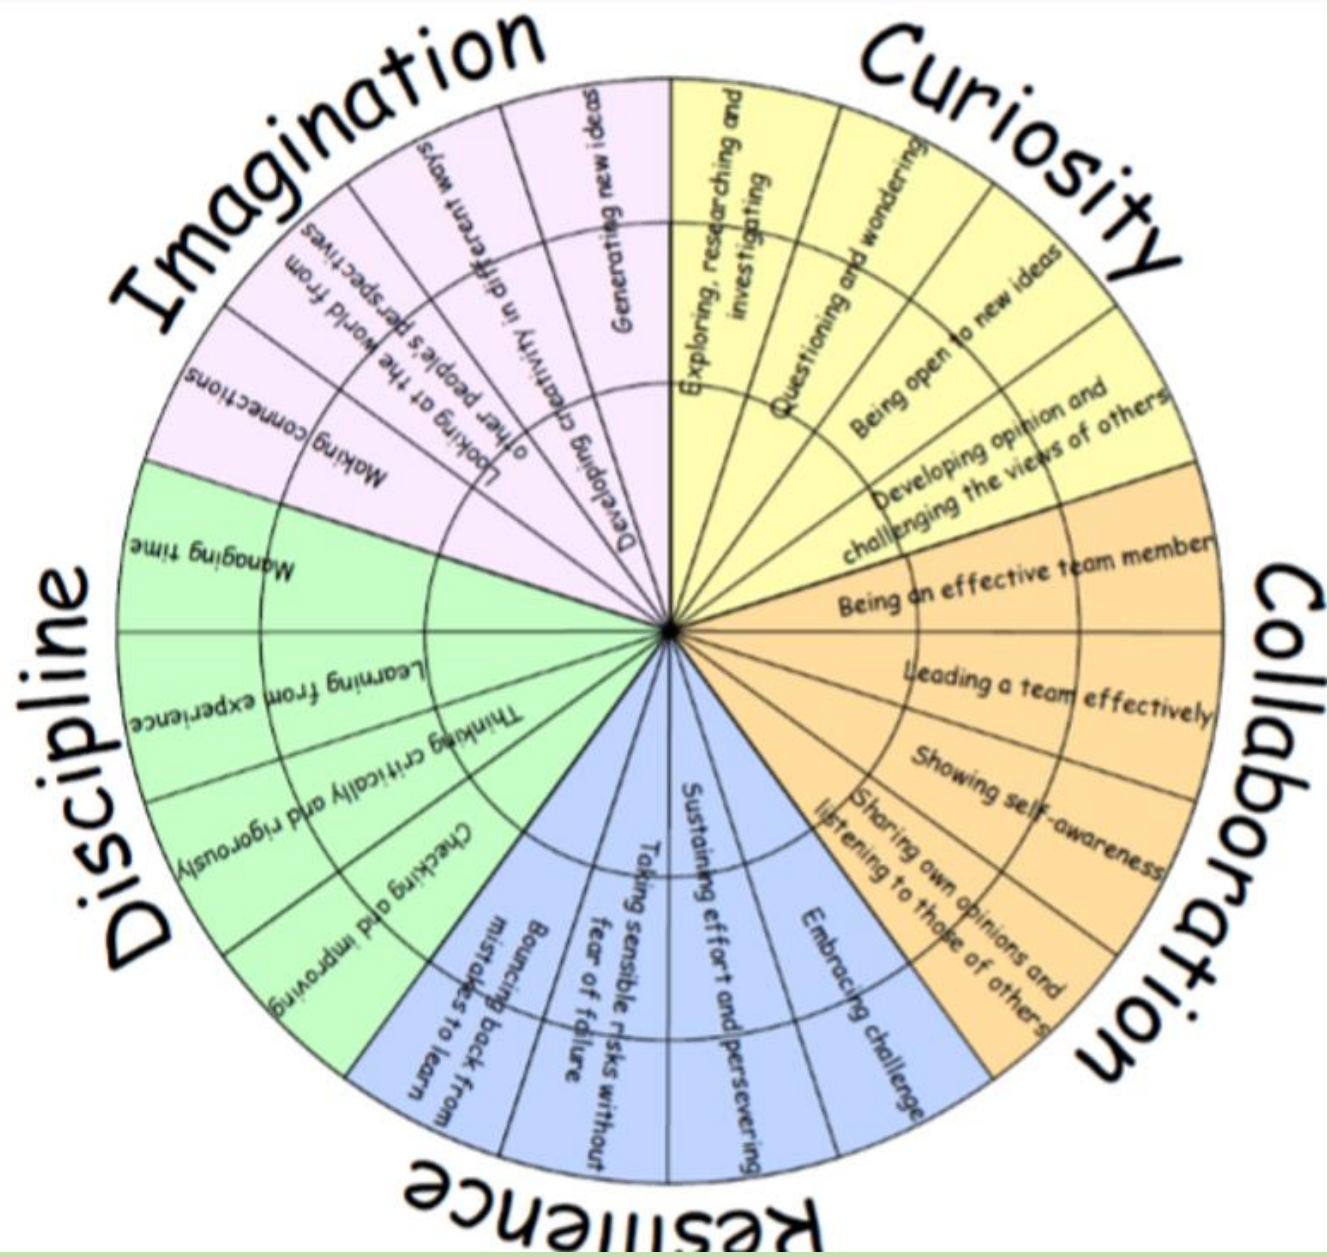

That humans have offspring that grow into adults.

Learning objectives:

Name parts of their bodies and collect information about their bodies by observing, measuring and noticing patterns.

Skills:

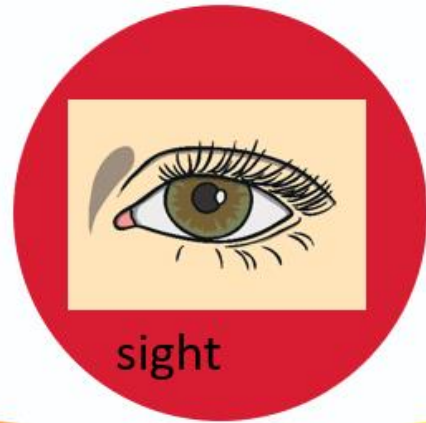

- *Observe*
- *Describe*

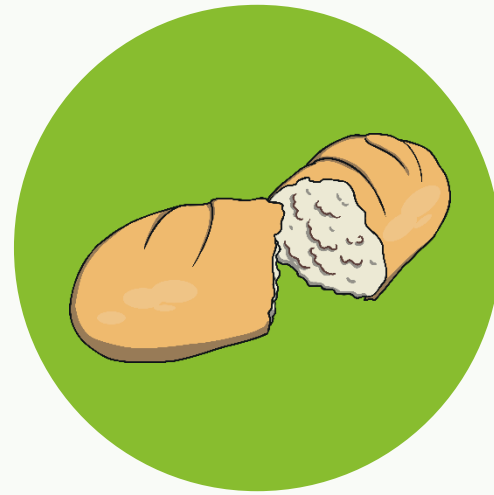

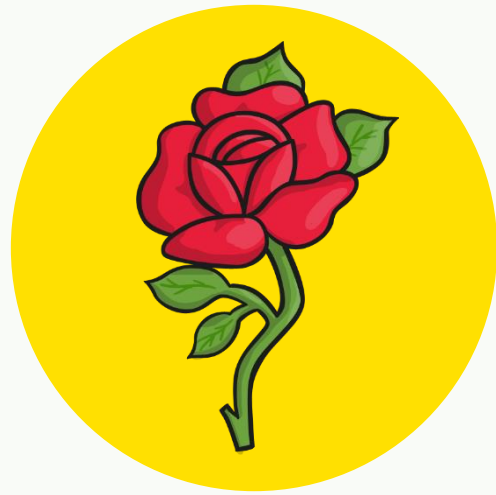

LEARNING HABITS:

Which learning habits do you think we will need to use today?

Parts of the Human Body and the 5 Senses

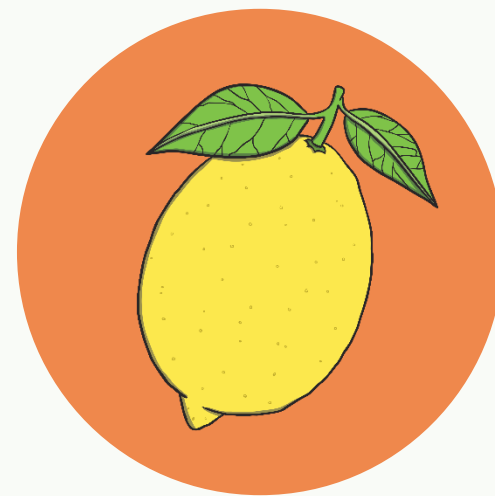

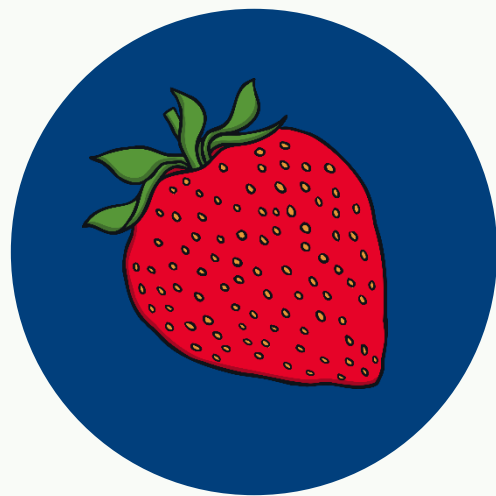

I can smell...

What can you smell?

I can taste...

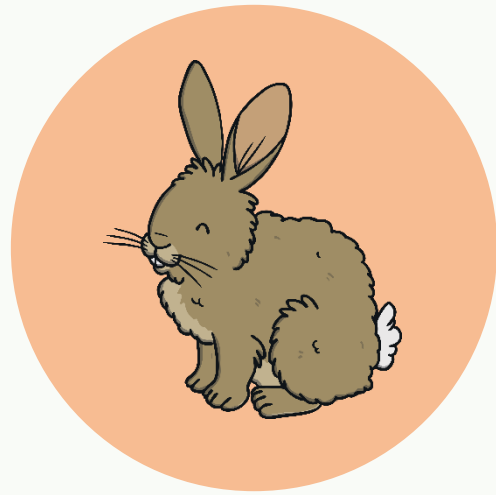

What can you taste?

I can hear...

What can you hear?

I can see...

What can you see?

I can touch...

What can you touch?

TALKING TIME:

Share one thing that has surprised you

Share one thing that you have learnt
